Dow Chemical International Private Limited
(CIN - U24239MH1998PTC113551)

Corporate Social Responsibility Focus Areas
1. Community Development
2. Women Empowerment
3. Health care
4. Education
5. Covid Support Relief Support

Projects and Programs under these Focus areas

Community development

Our integrated community development project generates solutions in the areas of education, health, sanitation, and skill-livelihood training. The projects handle various aspects to support the communities at large like access to medical facilities, waste collection programs, skill development, sanitation. We have been mindful of supporting the needs of the PWDs as well with various initiatives like support in the development of sports center for the PWD's among others

NGO Partners – Adventure Beyond Barriers, Freedom For You Foundation, Humana People to People.

Women Empowerment

A successful women's economic empowerment intervention needs access to financial capital and hard business skills. Dow India's intervention focuses on providing financial access to women along with necessary business management skills and handholding through its programs like Chamber of Commerce and Revolving Grant to create and support to micro-entrepreneurs.

NGO Partner: Mann Deshi Foundation.

Healthcare

Disability is not the problem, but accessibility is! Our healthcare program encourages independence and freedom of mobility through its mobility aid project for differently abled individuals. The Fitment of Artificial Limbs/Calipers and other Aids & Appliances through our marquee Jaipur foot initiative we ensure support to the PWD's

NGO Partner: Shree Bhagwan Mahaveer Viklang Sahayata Samiti

Education

We believe education is the catalyst to create the world a better place. Thus, through our various education programs, we focus on STEM education to school children, better educational infrastructure by renovating and promoting an inclusive environment for differently-abled persons by providing scholarships for higher education. Integrated community development through remedial education for schools children and adolescent girls.

NGO Partners: Agastya International Foundation, Smile Foundation, Freedom For You Foundation, Keshav Sita Memorial Foundation, Nobel Laureate Mother Teresa Charitable Trust, Samarthanam Trust for Disabled.

Covid Support

Covid 19 pandemic created havoc worldwide. It drastically affected our communities and healthcare systems. To strengthen the healthcare system, we supported healthcare institutes by providing them with the necessary medical equipment's to serve the community better.

NGO Partner: Freedom For You Foundation.
